<b>School Principles for PE and Sport Premium Grant Spend</b> St Joseph's ensures that high quality Physical Education is provided for all pupils, so that they are inspired to succeed and excel in competitive sport and other physically demanding activities. Opportunities are provided for children to become physically confident in a way which supports their health and fitness and encourages pupils to lead healthy and active lives. Our school is committed to creating opportunities for pupils to compete in sport and other activities in order to encourage good character building and help to embed values such as fairness and respect.  The DFE is providing additional funding to primary schools across the UK to improve the physical education and sports provision. Schools must use the funding to make additional and sustainable improvements to the quality of PE and sport they offer.
