

Year 4 - Home Learning

Day	Date	English Task	Maths Task	Other task
1	06/04/2020	<p>Reading / SPaG Make a chart in your exercise book with 4 columns. Label the columns with Nouns, Verbs, Adjectives and Adverbs.</p> <p>Read the next chapter in your reading book. Record the nouns, verbs, adjectives and adverbs that you find. Take a photo and add it to your SeeSaw journal.</p>	<p>Year 4 Maths Number and Place Value Workbook <u>Page 18 – Representing numbers using Base 10.</u> Draw images of the Base 10 equipment to make each 4-digit number OR Use natural objects from outside to make each number (e.g plant pot = 1000, leaves= 100, sticks = 10, stones = 1) take photos of the numbers you have made and create a Pic Collage to post on SeeSaw.</p>	<p>Outdoor learning Download a plant identification app, take a picture of some of the flowers in your front and back garden and learn the names of them. Post your pictures to SeeSaw and label each picture with the name of the flower or plant.</p>
2	07/04/2020	<p>SPaG Watch the AWHITEBUS song by Grammarsaurus on YouTube. https://www.youtube.com/watch?v=FK2Gyto5gTQ Write one Easter themed sentence for each conjunction. (Although, After, As, When, If, Even though, Because, Until, Since) If you start your sentence with a subordinate conjunction, remember to use a comma after the subordinate clause.</p>	<p>Year 4 Maths Number and Place Value Workbook <u>Page 24 – Nearest 10, 100 and 1000 word problems</u> Solve the word problems in your exercise book. You could set out your answers like this: 1) Nearest 10 = Nearest 100 = Some of the questions have two steps – think carefully about what you have to do first, then use the RUCSAC to calculate your answer (R= read the question, U= understand what you have to do, C = choose the correct method, S = solve the problem, A = answer the question, C = check your answer).</p>	<p>DT Food/ Cooking People often celebrate Easter by eating chocolate or buns and cakes. Try making a sweet treat to share with your family! To challenge yourself, you could even write a set of instructions for someone else to create what you have made. Don't forget to post a picture of your tasty treat on SeeSaw.</p>
3	08/04/2020	<p>Writing – Login to Purple Mash <u>Easter research (Set as a 2do)</u> Research the celebration of Easter and present your findings on a poster on Purple Mash! You could look at why eggs are a symbol of Easter, what is the Easter Story and any Easter traditions either locally or around the world.</p>	<p>Year 4 Maths Number and Place Value Workbook <u>Page 31 – I have forgotten my number</u> Use the clues to calculate the codes. Remember to check your answer carefully!</p>	<p>PE Fundamental Movement Skills – Easter Check SeeSaw for instructions to complete the workout! (Bunny Hop, Laying an Egg, Jumping for Height/Disance, Combination Jumping, Easter Spelling)</p>
4	09/04/2020	<p>Spelling Using an idea from the Spelling Menu, please practise 10 words on the Year 3/4 list that you found tricky last week. Record this in your Home Learning Book.</p>	<p>Year 4 Maths Number and Place Value Workbook <u>Page 32/33/34 – Roman Numerals</u> Use the advice and reminders on page 32, to complete the questions and puzzles on pages 33 and 34. Here is a link to our Roman Numeral song on You Tube https://www.youtube.com/watch?v=z1UmAgekzbs</p>	<p>Arts and Craft Try making a model basket to hold some Easter treats. You could use an empty cardboard box and decorate it with colourful Easter pictures.</p>

5	10/04/ 2020- Good Friday	Reading – 60 second read Check SeeSaw for the Easter themed 60 second reading comprehensions. You could answer these questions either in your exercise book, or by typing them on SeeSaw.	Purple Mash Login to your Purple mash account. There are two Roman Numeral activities set as a '2do'. Please complete these, they should appear with a notification at the top of your screen.	Map skills Draw a picture of the bird's eye view of your garden (or living room). Draw a grid over the top of your map. Explain what is in some of the grid references. Here is an example https://www.dkfindout.com/us/math/coordinates/
Easter Holiday - Check SeeSaw for fun activities for you to complete at your leisure. Remember to keep practising your times tables and reading your books☺				
Summer Term 1 Our new topic is Road trip USA! In science we are looking at electricity, in RE we are thinking about Pentecost and new life, in history we will be researching the Native Americans and looking at the United States of America in geography.				
6	20/04/ 2020	SPaG <u>Synonyms letter join worksheet (On SeeSaw)</u> Complete the synonyms work sheet – you can choose to write it out on to paper, or record your answers using the text tool on SeeSaw.	Maths – Time Watch the clip below to recap how to tell the time using an analogue clock. https://www.youtube.com/watch?v=QJkYONqIYQM Complete the <u>Telling Time to the Minute</u> worksheet on See Saw You could also practise telling the time using your clock at home, your parents could help by giving you a quiz!	Outdoor learning Make a miniature garden. Collect stones, soil, flowers and sticks, then use an old tray or sturdy box to create your own tiny garden! Can you create miniature outdoor games, a patio set or even a pond for your garden? Post a picture of your garden to SeeSaw.
7	21/04/ 2020	SPaG <u>Antonyms letter join worksheet (On SeeSaw)</u> Complete the antonyms work sheet – please write this on paper and upload a picture of your work to SeeSaw	Maths – Time Telling the exact time with minutes to the hour. Please look at the Powerpoint Presentation on See Saw which is labelled <u>Telling the exact time with minutes to the hour</u> . Then, complete the worksheet <u>Telling the exact time with minutes to the</u> on SeeSaw. There are lots of maths games that you could also use on Purple Mash and Topmarks.	Science Go on an electricity hunt! How many appliances can you find in your house that use batteries? How many appliances use mains electricity in your house? Record your findings in a tally chart. Take a photo of your tally chart and post it to SeeSaw.
8	22/04/ 2020	SPaG <u>Common prefixes letter join worksheet (On SeeSaw)</u> Complete the common prefixes work sheet – please complete this using the Text on SeeSaw	Maths – time <u>How many days are there in each month?</u> Firstly, watch this clip to learn the rhyme to help you to remember how many days there are in each month of the year. https://www.youtube.com/watch?v=BYshA2ybFdY Then, there is a quiz called 'How many days are there in each month?' set as a '2do' on Purple mash. Please complete this, it should appear with a notification at the top of your screen.	Art Investigate totem pole designs by looking at a range of photos and illustrations online. Look at common features and see what they represent. Create your own Native American totem pole (you could use an empty Pringles tube or rolled up card).

9	23/04/2020 St George's Day	<p>Writing Research St George Write a fact file about St George. You could include what he is the patron saint and how his feast day is celebrated. You could retell the legend St George.</p> <p>Illustrate and decorate your fact file.</p>	<p>Maths – Time <u>Years, months, weeks and days.</u></p> <p>Please look at the powerpoint on See Saw labelled Years, months, weeks and days classroom secrets powerpoint. You might need the support of a grown up to discuss the questions and answers.</p> <p>Then, complete the <u>Years, months, weeks and days</u> worksheet 1 and worksheet 2 on SeeSaw.</p>	<p>DT Design and create your own shield to remember St George.</p> <p>You could draw and label your design, then make a 3D version if you have the correct materials.</p>
10	24/04/2020	<p>Spelling <u>Find out about the origins of the prefix inter-</u> Practise this week's spellings using an idea from the Spelling Menu. Interact, interfere, intercity, international, intermediate, internet, intergalactic, interrupt, intervene, interlude.</p>	<p>Maths – Times tables If you can, please complete this on a laptop. <u>Go to our website - https://www.stjosephs-primary.co.uk/parents</u> On the parents' tab please click Learning Organiser. This will bring up a PDF document. Please click the 'Self-Marking Timestables' grey box (this will require Microsoft Excel). Download the Excel file using this symbol  . Enable editing. Complete Test A by typing your answer in the yellow square. The answer box will turn green if the answer is correct.</p> <p>If you do not have access to Microsoft Excel, please login to Times Table Rockstars for 20 minutes.</p>	<p>Geography Research some famous landmarks in America. In which state are these landmarks located? Make a poster to display your research! You could look at the statue of liberty, Mount Rushmore, the Golden Gate Bridge or The White House.</p>
