

# **Our Culture at** **St Joseph's**

**If we do nothing else today,  
we will show  
Love, Faith and Hope.**

**The most important things we  
must ensure today, are that  
our children learn, are safe  
and are happy.**

## **LOVE**

We believe we are loved by God. A Christ-like love accepts and respects the talent and uniqueness of each person, and ourselves.

**We respond to this by loving one another, as Jesus loves us.**

By treating each other the way we wish to be treated.

**Jesus said, "Love God. Love thy neighbour."**

## **FAITH**

We believe that Faith is a trusting personal relationship with God.

With Faith we accept and do God's will. We know God is good to people and we respond to Faith when we try to make a difference.

**Jesus said, "I have come so that they may live life to the full."**

## **HOPE**

We believe that Hope is sharing in the new life of the Risen Christ, now and in eternal life. We respond to this by preparing to become Saints.

**St Francis said, "Go out and preach the Gospel. And if you have to... use words."**
