

Year 6 Homework

Mexico

Complete at least 2 activities from the selection below this half term. We look forward to seeing how imaginative your challenges will be. Take pride in each piece of work you do and have fun!

Remember to read your reading book every day, we would like you to change your book every 2 weeks; don't forget to complete a book review and to get your reading record signed.

I like music:

Mexico has developed lots of different instruments such as; Vihuela, ArpaJarocho, Ocarina, Marimba and Cantaro.

Use objects around your house to help make your own musical instruments. Everyday household objects, like plastic bottles, elastic bands and rice can be very useful for this.

Can you put together your own piece of music using the instruments you have created?

I like researching:

Research into different areas within Mexico and pick which one you would like to live in. What is it about this place that would make you want to live in it?

Find out if there are any historical monuments within the area that you have chosen.

Are there any famous people who have grown up in your area and what are they famous for?

I like cooking and baking:

Visit your local supermarket and see if you can find out about any foods which are imported from Mexico – try fruit or vegetables. Make notes about which foods you have found.

Make your own Mexican dish such as guacamole or tacos and upload a picture of it to SeeSaw.

I like reading and writing:

Find out about Maya hieroglyphs and the symbols used. Using these are you able to write yours and your friends names.

Can you also write a short message to one of your friends with the translation to what it says underneath?
